Professional Experience

Frontend Developer (Contract) **Decor Diva Limited – Lagos, Nigeria** **Apr 2024 – Present**

- Developed and maintained production-ready React applications using JavaScript and TypeScript.
- Translated Figma and Adobe XD designs into responsive, mobile-first user interfaces.
- Built reusable UI components with React, Tailwind CSS, and Next.js, improving development speed and consistency.
- Integrated payment gateways including Stripe, Paystack, and Flutterwave for e-commerce functionality.
- Implemented animations and interactions using GSAP and Framer Motion to enhance user experience.
- Consumed REST and GraphQL APIs, collaborating closely with backend developers.
- Optimized application performance, reducing page load time by 35%.
- Improved SEO and accessibility (WCAG standards) across multiple pages.
- Wrote unit and integration tests using Jest, React Testing Library, and Cypress.
- Deployed applications via Netlify, Vercel, and AWS, managing version control with Git and GitHub.

ITAdmin / SharePoint Admin Intern

Nestoil Group – Lagos, Nigeria

Oct2023 – Sept 2024

- Provided technical support to 150+ users, resolving networking and SharePoint issues with minimal disruption.
- Led deployment of IT hardware across 10+ project sites, enabling efficient project execution.
- Built SharePoint libraries and dashboards to streamline document management and team collaboration.
- Monitored network performance and reduced downtime by 15%.
- Maintained accurate technical documentation for networks and troubleshooting procedures.
- Implemented backup systems and contributed to cybersecurity initiatives

ITIntern Lumenave International Limited – Lagos, Nigeria Jan2022 – Aug 2023

- Resolved 90%+ of IT incidents, boosting user satisfaction.
- Installed and configured 70+ devices and endpoints.
- Assisted in system rollouts and data migrations with minimal downtime.
- Implemented threat monitoring and basic security hardening.
- Authored internal documentation and IT user guides.

Projects

Mini Reconciliation Tool (React, TypeScript) – 2025

- Built a web-based application to detect transaction mismatches and generate audit-ready reports.
- Designed a clean, responsive UI with React and Tailwind CSS.
- Improved data accuracy and reporting efficiency.

Decor Diva Website Revamp (React, Next.js) – 2024

- Rebuilt a mobile-first company website using modern React architecture.
- Reduced load time by 35% and improved SEO performance.

E-Commerce Integration – Decor Diva Store

- Implemented shopping cart, booking system, and secure payment workflows.
- Integrated Stripe, Paystack, and Flutterwave APIs.

Frontend Portfolio Showcase

- Designed and developed a personal portfolio with animated components and modern UI patterns.
- Deployed on Vercel with optimized performance and SEO.

Soft Skills

- Effective communication (written & verbal)
- Adaptability and eagerness to learn
- Strong attention to detail
- Collaboration and cross-functional teamwork
